

MD. Rafeed Talukder

Address: 44/3, West Dhanmondi, Hira Mahal.
Email: rafeed717@gmail.com
GitHub: <https://github.com/rafeed-talukder>
Contact No: +880-1677822784

Objectives:

Computer engineer student with almost 1 year of web development experience, both technically focused and customer oriented.

Working Experience

- Intern at Rightangle-IT (February 2018 to Present)
 - Working Tools - PYTHON [Basic, Basic OOP], HTML5, CSS3, Bootstrap

Academic Credentials

Examination Passed	Institution	Group/Dept.	Year	GPA/CGPA
B.Sc.	University of Asia Pacific	CSE	2019	3.09 (Scale of 4) [Current Semester 4-2]
H.S.C	Sirajganj Govt College ,Sirajganj	Science	2014	4.70(Scale of 5)
S.S.C	B.L Govt High School , Sirajganj	Science	2012	5.00(Scale of 5)

Undergraduate Thesis

- A Machine Learning Approach for Diabetes detection and Care in Bangladesh
 - (<http://gjet.gyancity.com/Vol4No2/machine.pdf>)

Relevant Skill

- **Programming Language:** Python
- **Proficiency:** Good Knowledge in
 - Database Design,
 - Software Development Process,
 - Web Development,
 - Android Development,
 - Android Mockup Design (UX/UI).
- **Framework:** Django (Learning)
- **Database:** MySQL(Basic)
- **Version Control System:** Git
- **Operating System:** Windows(xp,7,8,10), Linux.

Significant Achievements

❖ Hackathon Contest:

- **1st Runner-up** in Hackathon (UAP Inter-University Software & Hardware Carnival - 2018)
- Participated **Software Contest(Hackathon)** in **SUST CSE Carnival 2017**

Project List

E-commerce Project

An offline System

- **Programming Language :**Basic PHP,HTML,CSS,BOOTSTRAP.
- **Database:** MySQL.

Car Management System (Front End Part)

- **Programming Language :**LARAVEL ,HTML ,CSS ,BOOTSTRAP.
- **Database:** MySQL.

BD-Tourism Project

- Programming Language : HTML,CSS,BOOTSTRAP.

I did many project using HTML , CSS ,BOOTSTRAP ,ANDROID STUDIO and also have LIVE SERVER work experience. [LINK: <https://github.com/rafeed-talukder>] .

Certificate
